

# Cohomology Of Completions

by Saul Lubkin

COMPLETIONS AND DERIVED DE RHAM COHOMOLOGY. BHARGAV BHATT. ABSTRACT. We show that Illusies derived de Rham cohomology For any positive integer  $n$ ,  $\mathcal{A}_n$  is the class of all groups  $G$  such that, for  $0 \leq i \leq n$ , for every finite discrete  $\mathcal{A}$ -module  $A$ . We describe cer. Cohomology of Completions by Saul Lubkin.; Elsevier Science . TOPOLOGICAL CHIRAL HOMOLOGY AND HOMOLOGICAL . ag.algebraic geometry - Etale cohomology of the completion of a Galois cohomology of generic points of formal completions (of .
